An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: Applicant states on page 9 of the 3/6/06 paper that because claims 1-8,14 and 18-30 "have been previously withdrawn, only claims 31-42 remain pending". While it is well settled that withdrawn claims are pending, the referred to statement is taken as authority to cancel the subject claims. Accordingly claims 1-8,14 and 18-30 have been canceled and the proposed amendment of 3/6/06 has been entered, leaving allowed claims 31-42 as the only claims in the case.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles E. Phillips whose telephone number is 571-272-4893. The examiner can normally be reached on t-th.
